RE: File No. 5994 – Danehy Park Artificial Turf Field Project - Addendum No. 1

Please disregard the following in the Form for General Bid on page 00300-4:

Bidders **MUST** indicate below, the specified infill turf product and manufacturer used to determine the bid. **NOTE:** Failure to indicate one of the specified products/ manufacturers indicated in Section 02542 shall result in the Owner selecting one of the three products/ manufacturers identified 02542 or rejection of the bid.

Also, Please disregard the following located in Division 2 section 02542:
Page 02542-2

No product substitutions shall be considered as part of the base bid. Bids may be accompanied by an operational proposal specifying an alternative turf product/system the bidder considers the equal to the specified products. If an alternative product is proposed other than the specified products, it must be proposed and submitted in addition to pricing of one of the specified products along with product information, amount the contract price would increase or decrease by the substitution of such an alternative product. The alternative product shall be substituted, if, and only if the Owner accepts such operation proposal before awarding contract. Bids that do not include pricing for one of the three specified products will be rejected.

Page 02542-8

Bidder must include in his bid one of the three products outlined above as outlined in 1.02 B above and instruction to bidders.

The following question was submitted and answered.

Q: Will the City of Cambridge entertain a substitution product if it meets or exceeds the specifications for Synthetic Turf?

A: The City of Cambridge will entertain a substitution product if it meets or exceeds the specifications for Synthetic Turf. It shall be the City of Cambridge's sole discretion to determine if the bidder's submission is equal. The bidder must submit with its bid, detailed published factory specifications and all other necessary data described for the product proposed.

All other details remain the same.
