RE: File No. 6012 – Security Monitoring & Repair Warranty Services for Cambridge Public Schools - Addendum No. 1

The following questions were submitted and answered.

1. The specifications does not mention that a Division of Capital Asset Management Certificates of Eligibility and update statement is required for this bid, however the estimated project value is \$100,000.00. Please confirm if DCAM is required or not for this bid.

Answer: DCAM is not required for this bid.

2. Who is the current contractor for this work?

Answer: Special Agent Services

3. How may we obtain a copy of the prior bid for this contract?

Answer: Attached is a copy of the bid results from last year

4. How much has been spent year to date on this contract?

Answer: Data is not readily available.

5. Is a Division of Apprentice Training Letter/Certificate required for this bid?

Answer: No

6. In regards to the form for general bid page 00300-02, the per hour labor section: this per hour dollar amount is one hourly rate to be used for both normal business hours and over-time hours?

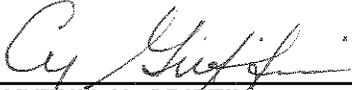

Answer: Overtime hours not anticipated

7. Please clarify that Item D (proposed contract price) and the Grand total dollar line (which states it's total of A through C, assuming A through C are the 3 line items above the grand total dollar line) on page 00300-02 should both be the same dollar amount?

Answer: Yes

All other details remain the same.
