RE: File No. 6591 – Graham & Parks School Boiler Replacement- Addendum No. 7

The plumbing filed sub-bids were opened today. All plumbing filed sub-bidders restricted their bid to the use of one general bidder.

Because all plumbing filed sub-bids were restricted to the use of just one general bidder all general bidders must include the filed sub category of plumbing work in the general bidder's scope of work.

All other details remain the same.

A handwritten signature in cursive script that reads 'Amy E. Witts'.
