RE: File No. 10218 – FY23 Miscellaneous Sidewalk Construction - Addendum No. 2

This addendum is comprised of the following:
1. Bid Opening Date Change
2. Massachusetts Department of Transportation Approved Class of work and Total Project Value
3. Question and Answer

Bid Opening Date Change:

The bid opening has been postponed from March 31, 2022, at 2:00PM to April 14, 2022, at 2:00PM

Massachusetts Department of Transportation Approved Class of work and Total Project Value:

Class of Work: Highway Sidewalk & Curbing
Total Project Value: $3,754,302.33

The following question was asked and answered:

Question: There appears to be some confusion on the bid form as it relates to the specifications. Specifically bid item 2524.011
Answer: Please see below which was inadvertently omitted.

Item 2524.011 – Sidewalk Poetry Panel Installation

METHOD OF MEASUREMENT:
Measurement for Sidewalk Poetry Panel Installation shall be based on each concrete sidewalk poetry panel installed as indicated in the Contract Documents or as required by the Engineer. The 5’ x 5’ or equivalent sidewalk poetry stamp will be provided by the city.
BASIS OF PAYMENT / INCLUSIONS:
Payment for Sidewalk Poetry Panel Installation shall be based on the unit price bid for each item. The unit price shall constitute full compensation for complete compliance with requirements of this item, including all labor, equipment, materials, tools, incidental work, and construction methods to install a concrete sidewalk poetry panel. The work includes, but is not limited to; excavate, removal and disposal of existing sidewalks including hand excavation as indicated on the Contract Documents; install, grade, compact, and test compaction of gravel sub-base and sub-grade; furnish, install and compact Gravel Sub-base; furnish and install Cement Concrete complete with micro-fiber, expansion joints, and formwork; furnish and apply a concrete releasing agent to the sidewalk poetry stamp; placement of the sidewalk poetry stamp; removal of sidewalk poetry stamp once the concrete has set; smooth and finish the Concrete; furnish and place the curing compound; protect the concrete after placement; furnish and place alkaline resistant protective penetrating concrete sealer; remove and dispose of formwork; backfilling; furnish and install loam and seed, mulch, or other backing and/or adjacent material specified including tree pits and grass areas; and all other work not included for payment elsewhere.

All other details remain the same.
