Re: File No 8802A – Street Light Poles for the Electrical Department – Addendum 2

This addendum is comprised of:

1. Bidders questions

The following questions were submitted and answered.

**Question:**
1. I'm reaching out to see if substitute specs equivalents will be accepted/considered for the Bid?

**Answer:**
1. They will be considered.

**Question:**
2. I am checking to see if there is an estimated cost available for this project and when the work estimated to be completed?

**Answer:**
2. The estimated cost will be over $60,000.00 and be completed within 6 months.

All other details remain the same.
