Re: File No 8910 – Water Department Analytical Lab Services – Addendum No. 2

This addendum is comprised of:
1. Bidders questions

The following questions were submitted and answered.

Question:
1. Can you please tell me who the incumbent lab is for this work?

Answer:
1. The current vendor is Microbac Laboratories Inc.

Question:
2. Section 3.4: Eurofins (EEA) current MDL for Ortho Phosphate and Phosphorus is 0.025 and 0.023 mg/L respectively. Can we still provide a price for that test?

Answer:
2. Yes

Question:
3. Section 3.5.4: May we get an example for the simple spreadsheet form?

Answer:
3. There are examples of the simple spread sheets located on each website where the data is to be submitted. We don’t have any examples here.

Question:
4. Page 5: Can another sample bottle manufacturer be used if it meets US EPA specifications?

Answer:
4. Yes

All other details remain the same.
