RE: File No. 10226 Municipal Parking Facilities Management - Addendum No. 1

This addendum is comprised of:

SUBMITTED QUESTIONS AND ANSWERS:

1. Q: Page 12, 12.4 Premiums, 12.4.1. – The city is requesting 15 days’ notice when a policy is cancelled. Would the city allow a 30 day notification?

   A: No.

2. Q: Page 12, 12.8 Policies and Limits, 12.8.1 – The city is requiring the contract have an Owner’s Protective Liability policy. An Owner’s Protective Liability policy is related to construction type services. The RFP is for the management of municipal parking facilities. Would the city elaborate on why a construction type service policy is required for this RFP?

   A: No.

3. Q: The city indicates the RFP will be awarded based on the lowest price. Would the city be able to share if there is any other criteria that will be looked at to make a determination for the award besides the lowest price?

   A: There are no other criteria for award. Please note that this is not an RFP process and therefore the contract will be awarded to the lowest responsive and responsible bidder.

All other details remain the same.
